We're off to the Telus World of Science for the day! The seasonal feature exhibit is "The Science of Ripley's Believe it or Not". Youth will be able to interact with the numerous exhibits throughout the TWOS, and we'll watch an I-Max film together as a group. We're opening this event up to children in grade 6 as well, as we'd love for them to meet the leaders, and get excited about joining YFC next year!
